

Hello Ladies!

What a great season we had and we went out with a bang! Thank you to Jodi Davis for hosting our Year End Awards Banquet. You did a fabulous job with the delicious Mexican fiesta and the oh-so-luscious cupcakes. No one went home hungry!

I'd also like to take this opportunity to thank all our Board Members who faithfully served last year: Judy Brooke (VP), Jan Singyke (Secretary), Rhonda McClelland (Treasurer), Kathy Belvel (Technology Chair), Patti Parker (Rules Chair), Ann Schleich (HSTP Captain), Donna Sugden (Tournament Chair), Suze Ericson (Publicity & Marketing Chair), Jan Recanzone (Birdie & Home N' Home Chair), D-D Woodruff (50-50 Raffle Chair), and Lani Rudell (Sunshine Chair). Finally, although not a Chair, I want to give a **HUGE** shout-out to **Debbie Knapp** who consistently got us great coverage in the Nevada Appeal/Record Courier each week. Thank you, Debbie!

You are the ones who make it all happen! It takes a tribe, and you are one of the best tribes I've had the pleasure to work with. I'm looking forward to working with all of you once again next year. Enjoy your holidays!

See you on the links!

Kelly King, President

Creating with Crafty Rhonda

Rhonda learned how to crochet, knit and embroidery at ten and that set her creative juices flowing. Over the past 50 years, crocheting has been a big part of her handmade creativity, making dozens of afghans, sweaters, doilies, baby clothes, slippers and so much more.

Another fun and productive creative outlet she enjoys is making yard art out of all kinds of things. One project is hubcap flowers, painted and affixed to stems of metal and planted within painted tires. Yes, she has her husband stop along roadways to shop for the hubcaps which adds fun to their vacation adventures.

This year was difficult for everyone with the local fires and COVID, so Rhonda decided to make lap quilts to support the high school girl's golf team. She wound up donating a dozen to the Wounded Warrior Tournament to pay back a minute fraction of what the fire-fighters managed to save during the Caldor Fire, and for our Warriors in general.

Almost every year, Rhonda makes a new Christmas ornament for her tree which now has mostly handmade ornaments adorning its (fake) branches.

Rhonda makes sure her shelves are stocked with many different items in case she "needs" to dive into a project! She is always alert to new projects because, "You never know when or where an inspiration may come from." But when it happens Rhonda wants you to know you should be prepared to have fun!

With all that, if someone wants to golf, she'll gladly unplug her glue gun and see you at tee time!

CVWGC had 14 ladies show up to play and in the Women's Division **Lorna Johnston** took 1st place, **Joni Taylor** took 2nd place and **Pam Bast** took 3rd place! **D-D Woodruff** and **Debbie Knapp** both won pies for their perfected putting prowess.

Other CVWGC members who competed (but are not pictured or mentioned) include: Tracy Aselson, Kathy Belvel, Linda Davis, Rhonda McClelland, Rhonda Moore, Donna Sugden and Sherrie Thorne.

Land it for a Lesson

No one answered these questions from last month, so here they are again ...

1. In stroke play what is the penalty for practicing a putt or chip, in the middle of a round, on a green **AFTER** the ball has been holed out and a score recorded.

2. What is Tiger Wood's real first name?

The first person to email Dan with the correct

answer

to

BOTH questions is the winner.

Patti Parker in the leaves.

Dear Patti Patti Parker's Monthly Rules Advice Column

Dear Patti, All those leaves! I hit a great tee shot then couldn't find my ball among the leaves scattered along fairway or piled in the rough. What am I supposed to do if my ball gets lost in the leaves? Signed, hidden in plain sight

Dear hidden in plain sight,

Our course has all those beautiful trees lining the fairways, but a consequence in the fall—those colorful leaves cover the course! If you lose your ball in the leaves, then the local "Leaf Rule" for CVGC applies. During fall months you may drop your ball (where a consensus of your team believes it was lost) without a penalty.

Remember, without the leaf rule in effect our local course rules for O.B. and lost ball are followed. You may choose to play "stroke and distance"; however, intending to keep the pace of play, you have the option of advancing the ball to the expected point of loss or where the ball crossed out of bounds. Relief is taken at the nearest point on the fairway and no closer to the hole for a two-stroke penalty. This would not apply to a ball lost in a Penalty Area.
