

Hello Ladies! We're off to a great start this season with six new members bringing our total membership to 53! Forty of you came out to play the four-person scramble on opening day. The competition was fierce with a three-way tie for first place. Unfortunately, the tie breaker didn't land in my team's favor and we came in second place. But that's okay, there's always tomorrow!

I want to thank Carson Valley Golf Course for the fabulous continental breakfast they provided.. It was so beautifully laid out and so delicious. What a special treat for us. Also, thank you, wonderful members, for staying after play and attending the General Meeting. We appreciate you and hope you like your new clipboards!

Last, but not least, you know that new birdie tree is waiting for birdies! So let's go get 'em girls! See you on the links,

Kelly King
President

Land it for a Lesson

Here are this month's trivia questions ...

1. Who was Jack Nicklaus' teacher?
2. What is the standard size of the golf ball hole?

The first person to email Dan with the correct answer to **BOTH** questions is the winner. Email your answers to Dan directly at dan@carsonvalleygolf.com. Good luck!

Congratulations

We have a winner! Judy Brooke once again successfully answered both questions from the March "Land it for a Lesson". But she wants to know where the rest of you are. You too can have a free lesson simply by answering these simple trivia questions! Just do it!

Question: What US President was inducted into the golf hall of fame in 2011? **Answer:** George Bush

Question: What did the Gutta ball replace? **Answer:** In 1848, a new golf ball -- the gutta-percha -- began to replace the "feathery," as the original golf ball was known.

Dear Patti

Patti Parker's Monthly Rules Advice Column

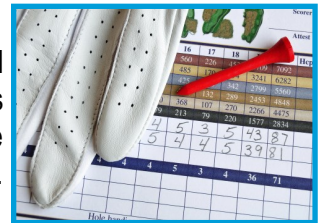

Dear Patti, I remember it being mentioned at our first general meeting that we should post scores "including those games played outside of our Tuesday Woman's club play". Why are we required to post our scores for all golf games we play?

Signed, Handicapped at posting scores

Dear Handicapped, it is a requirement under the new USGA/WHIS that you **must** post all "acceptable scores" as your Handicap Index (H.I.) is updated real time. Your GHIN H.I. is not only for tournament play, but also for any game you play outside of our regular Tuesday play. The main reason for posting all your "acceptable scores" is to maintain the honesty and integrity of the game.

The purpose of a golf handicap system is to **level the playing field of differing abilities and different courses so that we can compete equally**. Another important purpose of posting is the ability to see your improvement over time. Your H.I. can be found either by visiting the GHIN website or by checking the twice monthly email update you receive from NNGA-GHIN. To find your H.I. or to post a score, click on this link to access USGA GHIN: [GHIN Log-in](#)

Refer to USGA Handicapping 2.1 which defines what is an "acceptable score" in more detail. If you require assistance in posting scores, you can ask the Pro Shop for help or check with any of our "seasoned" members on how to use the USGA GHIN App.
