**H**ello ladies! What fun we had celebrating Cinco de Mayo in style. It was so great to see some of you all decked out for the occasion. A big thank you to Judy for decorating the clubhouse and setting out the chips and salsa for everyone to enjoy. And, of course, a big thank you to the Clubhouse for those delightfully delicious margaritas and tasty taco salads... yum!

Summer officially starts next month and I'm looking forward to getting out there and playing as often as I'm in town. Right now, Bill and I have plans for camping and jet skiing at Lake Topaz and a big golf trip to Clio. What are your plans for this summer now that we're free to move about the country?

See you on the course,

*Kelly King*

President

**Dear Patti** *Patti Parker's Monthly Rules Advice Column*

*Dear Patti, I was on the tee, took my swing, and knocked the ball off the tee. What are my options? Missed and Miffed*

Dear Missed and Miffed, if the ball is still within the "Tee Box" you may re-tee the ball anywhere in the "Tee Box" (teeing area) and hit your second stroke. You have two other options as well. You can move your ball anywhere within the teeing area or you can play your ball as it lies to take your second shot.

USGA Rule 6.2b defines the "Tee Box" as two-club lengths back from and perpendicular to the front line of the tee markers (a two-club length deep rectangle). To see the full rule and teeing area designation, click on this link: [USGA Rule 6.2](#)
