Hello Ladies!

It's hard to believe we are more than halfway through 2022. I hope you had a great 4th of July Celebration. We have so much to be thankful for. Thank you to everyone for your fabulous **red**, **white** and **blue** outfits and for your amazing cart decorating. Congratulations to Jan Nolan and Margie Stephens for winning the best-decorated cart. They each received a small first aid kit for their golf bag. Got a boo-boo on the course, see them! Thank you to the Clubhouse for the delicious cheeseburgers and fries. We had great representation from members at our General Meeting and I look forward to seeing you all in **green** August 2nd for our **Queen of the Green** challenge!

Kelly King.
President

Noteworthy Reading

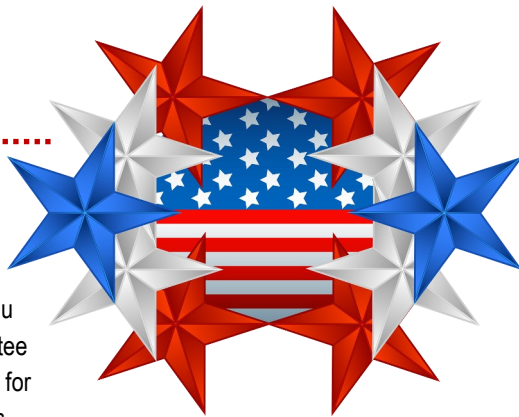

Changes! Changes! Read all about it!

Now that the Board has taken responsibility for all Golf Genius Administrative activities, effective **AUGUST 1st**, the following changes will be implemented:

- You must either sign-up in Golf Genius OR contact the Pro Shop by **Friday noon** before the next Tuesday to play. If you are not on the tee sheet by Friday noon, your name will not be on a pre-printed scorecard and you will not be eligible for the prize fund (although you must still pay into the prize fund). However, you are still eligible for KPs and/or chip-ins.
- You will only have access to sign-up for one week at a time. Every Tuesday afternoon/evening an automated email will be sent from

Golf Genius to let you know the tee sheet is open for sign-ups. This reduces the amount of administrative time for the Golf Genius Administrator.

- ALL Tuesday hole-by-hole play scores will be automatically posted by the club team members responsible for that week's score posting. Please do **not** post your own individual score for any of Tuesday's play. This ensures NO duplicate posted scores, once again reducing administrative time.

Congratulations to Jeanine Felix who correctly guessed that the team on the right (consisting of Pam Bast, Kelly King and Suze Ericson) was spelling **C-A-T!** Jeanine received a prize of unspeakable value for her correct guess!

We Have a Winner!

Dear Patti *Patti Parker’s Monthly Rules Advice Column*

Dear Patti, I had a great tee shot (well, almost great), but it could be out of bounds. What are my options to recover from not being a straight shooter? Signed, “If Only I Could Hit Straight”

Dear If Only I Could Hit Straight,

It is great that you are asking what your options are so you know how to carefully choose your next shot. You have two options. Your **first option** is to take stroke and distance for a one-stroke penalty. Be sure to call a provisional if you are unsure if your ball is out of bounds, then tee up your ball and hit it again. If you choose this option, hope and pray that your next tee shot lands in the fairway! Your **second option** is to advance to the fairway from where your ball went out of bounds, and take two club lengths in for a two-stroke penalty. Refer to CVWGC Local Course Rules #6 on your clipboard. Consider your options wisely and have a great round!

Land of the free because of the brave!

Editor's Note: We had a lot more pictures when I couldn't play! My first time out on July 5th, I totally lost my photo-feeling so we're slim on pictures and have Suze to thank for the only on-course photo taken. Some of you (not to mention names, Linda) are quite relieved however! I'll get my mojo back eventually.

Suze Ericson and Joan Scariani — don't they look proud to be an American!

Gail Ellingwood and two of her girlfriends backpacked to Twin Lakes in the Desolation Wilderness. It was a 5.5 mile hike that took 6.5 hours. They climbed from 7,000 feet to 8,000 feet. This is Gail cooling off in the creek about one-mile from their camping destination.
