

A Note From the President

Oh my, summer has come in with a vengeance! Just when you thought we were going to live in the cooler spring forever, it all changed in a day! I knew it was bound to happen. I really relished those cooler golfing days, hoping it would never end, but that was not to be.

I hope you all had a great 4th of July celebration! We live in a great country where freedom rings from border to border; from lakeshore to gulfshore; and from sea to shining sea. I have to say, you all looked so very patriotic decked out in your **red**, **white** and **blue** fashion flair. You definitely know how to wave that patriotic flag!

The summer months ushered in more things to do than we have time for! On July 7th there was the Ronstandt Revival Concert in Minden Park, on July 15th there was A Night in

Genoa Benefit Concert with this year's beneficiary the Northern Nevada Children's Cancer Foundation, July 14-16 Edgewood Tahoe Golf Course hosted the American Century Celebrity Golf Tournament, July 20th Main Street Gardnerville hosted the Third Thursday Wine Walk, July 22nd Carson Valley Golf Course hosted the Aloha Golf Tournament, July 24th, NNGA hosted an Open Play Day at Empire Golf Course, on July 26th there was Wind Down Wednesday at Heritage Park, and on July 28th Battle Born Wine hosted a Somm Select Wine Tasting. And that's just the evening reel highlights!

I hope you're enjoying your summer, wherever you're going and whatever you're doing!

Let's go golfing!

Dear Patti

Patti Parker's Monthly Rules Advice Column

Dear Patti,
I hit a good shot that really took "off" and could be either out-of-bounds or even lost. What do I do now?

Signed, Bye-Bye to a Birdie

Dear Bye-Bye,

Both a lost ball and/or a ball hit out-of-bounds [OB] of the general area are treated the same under USGA rule 18.2; Stroke-and-Distance Relief must be taken for one penalty stroke.

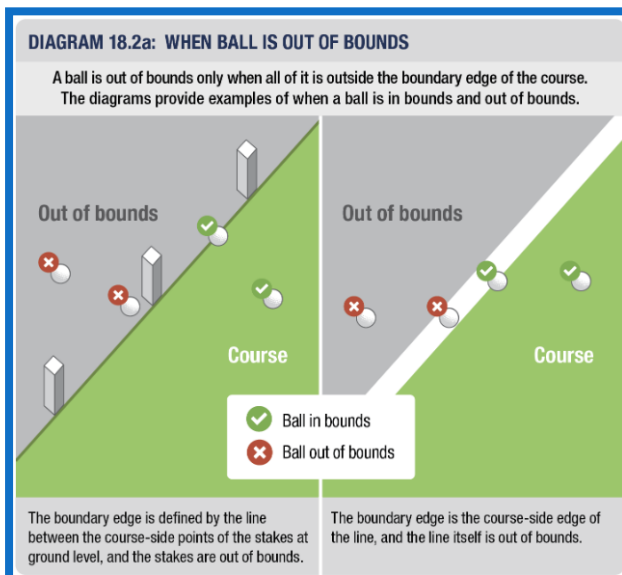

A ball is OB when all of the ball lies outside the boundary edge of the general area (see diagram). 

A ball that is declared OB is considered out of play and may **NOT** be played even if found. However, a player may stand out of bounds in order to play a ball that lies within bounds.

If you are not sure if your ball is lost or OB then you may announce and hit a "provisional" ball in order to save the time of returning to either the tee box or to the location where the errant stroke was first taken. The

provisional ball must be used if your ball is NOT found after reasonable search time (maximum 3 minutes).

Another pace of play option—that our local CVWGC Local Rules allow—is to advance your ball to the nearest point in the fairway, no closer to the hole from where the ball was lost or went "off" to OB, for a two-stroke penalty.

Hot August Nights

Tuesday, August 1st, is our Hot August Night Poker Run. During play, you will pick up six playing cards (one card every 3rd hole). You will discard one card for your final hand. The best four hands win prizes of unspeakable value. Be sure to wear **RED**, **BLACK** and **WHITE**!

President's Cup—August 8th & 15th

The Club's annual President's Cup tournament is held on both August 8th and 15th. Here are the things you need to know:

- If you can only play in one round, you can still be eligible to win, but you must **pay for both rounds**, and your total score will be based on only one round.
- You must be a member in good standing for the last two months, and you must have played at least five games with the women's club.
- The overall winner is based on gross score. Overall low gross winner is ineligible for flight placing. Flight winners are based on low net scores.
- Even if you don't want to participate in the President's Cup competition, **you can still play golf that day!**

A Fond Farewell to Sandy Trainer

After 10 dedicated years in the Carson Valley Women's Golf Club, a very special member is saying, "Adieu" to you, and you, and you!

Sandy and her husband, Jack, are moving permanently to Arizona instead of snow-birding every winter. Sandy will not only always be remembered for her sense of

humor, but mostly for her weekly distribution of candy, cuties and rocks. These small tokens of friendship meant so much to so many, and I'm sure countless member's yards have these little gems hidden in them.

Thank you, Sandy, for your faithful membership and wonderful friendship. You will be missed by everyone.
