

## **CARSON VALLEY WOMEN'S GOLF CLUB BOARD MEETING**

**May 30, 2018**

Present:	Priscilla Kramer	Sandy Trainer
	Rhonda McClelland	Leslie Nixon
	Kathy Belvel	Gwen Sadler-Guiette
	Virginia Irlakis	Sue Eropkin

Meeting called to order by President Priscilla Kramer.

Treasurer's report by Rhonda McClelland- we have a balance of \$2972.

Sue Eropkin stated that the Bishop golf tournament is off. There will be regular golf for those interested.

Sue stated that our guest day is coming up. She met a lady from the Bishop course who said there about 8 ladies interested in coming to our guest day. We can pair up guest with a board member. Gwynn Guiette volunteered to coordinate guests for the June 19<sup>th</sup> guest day.

Priscilla brought up the fact that our course has some dangerous/hazardous lies in places where you could either hurt yourself or damage your club. Tree roots were brought up, however, there is a USGA rule addressing tree roots (you can declare your ball in an unplayable lie, take relief and a one stroke penalty. ) In order to get relief from the gravel area on #10, as an example, the foursome would all have to agree that it is a hazardous situation for you to get free relief. We are all on the honor system for the group to make a fair call.

We missed the Hat Cutler tournament.

For HSTP: if qualifying day occurs on a day where the game is non-postable, we can use the month before's qualifying round. Qualifying rounds are set 3 weeks prior to HSTP day. On general meeting days, we need a quick game. Carson Valley will be hosting an HSTP game on May 17, 2019. We already know which clubs are hosting HSTP but we do not know the dates.

The K9 fundraiser tournament on June 16, 2018 needs more players

Priscilla will type out the rules for making match play postable. She will also let the ladies know when you can pick up your ball.

Sue Eropkin stated that the skunk awards have been fun.

The sign in sheet will be available for two more weeks. Golf Genius will be the way to sign up. Priscilla will add that to the agenda and e-mail it.

Next board meeting is June 27, 2018 at 10:00 a.m.

Gwen motioned to adjourn the meeting. Kathy Belvel 2<sup>nd</sup>. Motion carried. Meeting adjourned.
