We have a set date for our last day of golf and luncheon which is Tuesday October 9th. The lunch will be at the Country Club Restaurant. The menu is still being worked on.

Sue Eropkin brought up that one of the members suggested that we cross Riverview together for safety reasons. Wait for the other cart to catch up to you and then both carts proceed to cross when safe.

Linda Davis brought up that the pace of play is too slow. Play ready golf. Suggestion to have a reminder before we go out on Tuesday morning regarding pace of play. Some things that would help- proceed to the next tee box before you score, put your clubs away while your partner is hitting their next shot, only one practice swing.

Motion by Gwynn Guillet to adjourn. 2nd by Sandy Trainer. Meeting adjourned at 2:06 p.m.
