Leslie Nixon, Rules Chair- We have extra rule books in the cabinet if anyone needs one.

Rhonda McClelland, Treasurer- welcome to our new members, Anne and Gail.

Sue Eropkn, High Sierra Team Play co-captain- Invited new players to join HSTP once they have an established handicap.

The Board has proposed that \$700 be given to the Douglas High School and Yerington High School Girls' Golf Clubs and the remainder of the scholarship fund money be given to Carson Valley Junior Golf. Also, any 50/50 money will be given to Carson Valley Junior Golf at the beginning of the year. Kathy Belvel made the motion. Rhonda 2nd. Motion passed. Note: The scholarship fund is being dissolved because there is no invitation to fund it. In the future, if someone wants to run the invitation, the scholarship fund can be reinstated.

We current do not have a Vice President or Handicap Chair. If anyone is interested in holding a position, please contact Sherrie Thorne.

Handicap requirement. Cathy Addington made a nice presentation to the Board regarding having a handicap. It is currently in the house rules that new members who do not have a handicap need to play 5 rounds before they can participate in the prize funds or team events.

Melinda Johnson asked if the club could get a closest to the pin measuring device that fits in the hole. That would speed up the play on that hole. Beau is aware of the device but does not have room to store it. Joni Taylor will look into the cost.

Joni Taylor won the 50/50 drawing which was a \$125 total pot.

Reminder to sign your cards and mark down chip-ins before you leave the scoring area. Late notifications of chip=ins will no longer be permitted.
